OVERVIEW

We have separated the middle school students this year so we can increase the intensity and get into a more position specific type of camp. Also, players will be learning a few of basic plays and defenses that will be used during their season.

This camp is a great way for middle school students to get a jump-start on conditioning, endurance, and knowledge of the game

CAMP STAFF

The camp staff will be made up of the Whitehall High School football coaching staff. Each position group will also have current Norsemen football players to help assist the campers. If schedules permit, former WHS football players currently playing college football may be present at the camp.

LOCATION-FACILITY

The camp will be held at the Whitehall Football game field/track facility. Depending upon the number of campers, the football practice field may also be used.

AGES

This camp is open to all students entering 6th through 8th grades.
