

WHEN & WHERE

Wednesday, May 3rd
from 4:00 to 6:30 p.m.

at Whitehall Memorial High School.

COST OF ADMISSION

Students \$2.00

Adults \$3.00

(All Games, Activities, & Prizes are Free)

PRESENTATIONS OF 9TH
GRADE RESEARCH PROJECTS

Allison Casperson

“Acrylic Paint Performance”

Austin Moen

“The Best Fishing Line”

Brandon Dick

“Stove Cook Top Performance”

Ellie Matejka

“Electrolytes and Sports Drinks”

Halayana Macharia

*“ The Effects of Veggie Puree In
Muffins”*

Mykensie Beighley

*“Effectiveness of Anti-Bacterial
Wipes”*

4:00-6:30 pm

Thank You

WHAT'S SCIENCE NIGHT ALL ABOUT?

This year you will see the sophomore & freshman classes working together to host the 13th *Annual Science Night*. This event provides an opportunity for local scientists, parents, high school and elementary students, and community members to come together and explore some of the most basic laws of science that govern our world.

During the first semester, the 9th grade students completed their Independent Research Projects. On Science Night six of the students will be presenting their projects and have a chance to receive one of the two *Whiteball Science Club Community Scholarships*. The overall goals for Science Night are to increase students' interest in the science field and to inspire students to pursue an education beyond high school.

Thank you for your Support!

Air Powered Rocket

Archeological Adventures

Egg Drop Challenge

Fun With Flubber

Easy Ice Cream

Polyurethane Creatures

Hovercraft Rides

Homemade Fire Extinguishers

Colored GEL Bags

Ghost Bubbles

Hydrogen Fuel Cell Rockets

Waiter's Challenge

Bernoulli's Challenge

Coke & Mentos

Instant Light Demo

Magnetic Slime

Hoop Gliders (NEW)

Shrinky Dinks (NEW)

Liquid Marbles (NEW)

Syphoning Towers (NEW)

Instant Snow (NEW)

THANK YOU TO THE JUDGES FOR THE RESEARCH PROJECTS
